## Display Competition

Open category

Theme: Japan

### Rules and Regulations;

1. Participants may create any **three-dimensional display related to Japan**, using their creativity, imagination, and originality.
2. The display may represent Japanese landmarks, architecture, culture, traditions, nature, cities, objects, characters, or any other aspect of Japan relevant to the theme.
3. There are no restrictions on the type or concept of the display, as long as it is three-dimensional, suitable for exhibition, and relevant to the given theme.
4. Examples include, but are not limited to, a model of Tokyo Tower, a Japanese city, a sakura tree, Mount Fuji, a traditional Japanese building, or a representation of Japanese culture.
5. The maximum base/footprint size of the display is 2 feet × 2 feet. There is no restriction on the height of the display above the base.
6. Participants may use any suitable materials of their choice to construct the display.
7. Each school may submit a **maximum of two displays**.
8. Each group may consist of a **maximum of five students**.
9. The two groups representing the same school must consist of **completely different members**. A student may not be a member of both groups.
10. The completed display must be handed over to **D.S. Senanayake College by 19th October 2026**.
11. Before bringing the display to the school, participants must **contact the President of the Organizing School** and inform them of the intended date and time of delivery.
12. Each group must submit a 1–2 minute video documenting the making of the display, showing sufficient portions of the process from the beginning to the completion of the display.
13. The making-process video is **compulsory** and will be considered when awarding marks for the **authenticity and credibility of the display**.
14. The display must be created by the participants themselves. The use of another person's completed work or submitting a pre-made display as the participants' own work is not permitted.
15. The completed display must be stable, safe to handle, and suitable for exhibition.
